

Fertility preservation

Transparency and Clarity in Our Pricing

At clinique ovo, we are committed to offering transparent pricing while including as much information and as many services as possible in our packages.

Analysing costs in this field can sometimes feel complex, as the components included in different packages may vary. Our priority is to provide you with a clear and comprehensive view of costs to avoid surprises and ensure complete support throughout your journey. We are here to guide you every step of the way with detailed information and support tailored to your needs.
